TIBA chairman, Mr Ebrahim Essop Patel gave the welcome address.

Keynote speaker for the afternoon was Judge Zak Yakoob.

SHOWERS of blessings came down on Saturday as TIBA Services for the Blind officially opened the doors to its new premises.

The public and members watched in admiration as senior roleplayers addressed them on their struggle to reach for new heights. Today TIBA can be proud as they have stood together and overcome the hurdles.

It was a double celebration as TIBA also celebrated its 30th Anniversary.

To commemorate TIBA's anniversary, an informative souvenir brochure was presented to guests.

The brand new building is situated at the corner of Sastri Close and nirvana Drive in Ext13. For more information contact 011 852 1315.
